Dear Parent/Carer,

The Home School Agreement is an essential document for school: it sets out the expectations and commitments of the stakeholders, namely parents/carers, children, staff and governors.

Our school community enjoys a long, positive and happy partnership between home and school and this was reflected in our original agreement of 1999.

You will see from the attached updated document that there are many crucial expectations from all parties which in practise and partnership help to make a happy, secure and purposeful learning environment for our young people and the wider community.

School Governors ask that you go through the updated agreement and share those parts which are appropriate with your child. The Governors also ask that you support the agreement, keeping the red Home School agreement for your records.

If you would like to discuss aspects of the documents, please talk with your child's class teacher, Adam Makepeace (Chair of Governors) or myself.

Many thanks,

Heidi Johnson Paul - Headteacher
